

ANNUAL REPORT

Garden Valley Public School believes in holistic development of students and at the same time imbibes our age old moral values. The school was established in 2001. The school has three blocks and a big playground. The labs are well equipped and have a library that contains more than 5000 books. The school has produced such talents who are giving their services in different fields to the society. In the sports also the school has name. Throughout the year as per school calendar numerous activities are done under competent staff. Excursion is a part of school where students get an opportunity to learn in every trip they go for. Annual Sports Day and Functions are held where students show their hidden talents.

In academics our students have given 100% Quality board results since the school got affiliated to CBSE. This all possible because of our competent staff and support from the parents. There are digital classes which provide latest education techniques.

I wish every success to all my students in their future plans.
